

5 April 2017

Bowmar, LLC has appointed 323 Global Sourcing as its exclusive agent to represent its product offering to MOD Japan.

“We are pleased to have established a strong relationship for our products to MOD Japan with 323 Global Sourcing. We are certain that this partnership will improve availability and visibility of Bowmar products to MOD Japan”, said Tim Lanckenau, CEO of Bowmar, LLC.

“This agreement represents some of our growth initiative by offering value-added manufacturing to support the aerospace and defense industries. Bowmar and 323’s combined capabilities will bring an outstanding value proposition to MOD Japan,” stated Eric Walker, President of 323 Global Sourcing.
